WATCHING BRIEF REPORT

CAT Project reference: **00/10f**

CAT Report number: **108**

Site/address: 3b Queen's Road (Queen's Lodge)

NGR: TL 98432473

Date: 27th October 2000

Officer: H Brooks

Report:

27 October

A new extension is being built to the rear of (west of) the existing property. Following a phone call from the site contractors, a visit was made to inspect the (partially dug) footings trenches. Nothing seen. Will visit tomorrow to see rest of trenches. A sketch was made of trench positions and typical soil profile.

28 October

Second visit. Saw remaining open footings trenches. Negative.

Summary:

Negative
